

Dear Friends of Saint Rose School,

April 2, 2018

Mothers play a powerful role in the shaping of their children's lives, character, and conscience. As Mother's Day approaches, Saint Rose of Lima Catholic School would like to offer a unique opportunity to those who are looking for a special gift to show appreciation for their mothers, grandmothers, Godmothers, or other women who have played an important role in their lives.

We hope you will consider remembering the special woman in your life this Mother's Day with a Mother's Day donation to Saint Rose School made in her name. Those who are honored will receive a beautiful Mother's Day card, hand-made by students at Saint Rose School and mailed anywhere in the United States. If you wish to memorialize a woman who is deceased, you will receive a card of appreciation for your donation. In addition, the names of all of the mothers being honored will be displayed on a banner in Saint Rose of Lima Church and on a special Sunday bulletin insert.

Please fill out the attached order form to indicate the card design you prefer, your name and address, and (for options A and B) the name and address of each woman you wish to honor so that we can send her a Mother's Day card. Note that option C is for honoring a woman who is deceased; a thank-you note will be sent to you, the donor. A generous donation of at least \$20 for each honoree would be appreciated. Please return the form, along with your check payable to Saint Rose of Lima Catholic School, to the school office by Friday, April 27. Feel free to make copies of this form as needed.

As a Catholic school, Saint Rose shares the ministry that our mothers began, by continuing to develop both the minds and the spirits of our students. Your donation, used to support the religious training and educational opportunities at Saint Rose, will ensure that your mother's values will continue to inspire our students.

Thank you, and may God bless you always,

Mrs. Rebecca Floyd
Principal

Father Steven Schaftlein
