

St. Rose of Lima School
Vacation Policy

School attendance is compulsory in the state of Indiana. St. Rose cannot “give permission” for families to take their children out of school. All absences count against our aggregate attendance percentages that we must turn into the state in June. Our accreditation is based in part on high attendance percentages. Maintaining this accreditation is of the utmost importance to our school.

Regular school attendance is essential to a good education and any absence means that a student has missed being a part of the educational process on that day. Absence caused by family travel is discouraged.
