Floyd's Facts

Dear Friends,

Thank you for registering for the 2018-2019 school year. We are reaching capacity for Preschool and Kindergarten! If you haven't registered yet, please do so soon!

Report cards will be going home on Wednesday. Please set goals with your child/ren for fourth quarter. We would like to end the year strong!

We will have our Honors Program following Mass on Thursday in the Church. Please plan to attend at 9:15 to celebrate all our students' successes.

On Friday, Duke Energy will come to give a presentation to our students called Kilowatt Kitchen. If you haven't signed up for your free energy kit, it's not too late! Thank you in advance.

Please read for important information!

Take the My Energy Kit Challenge

Our school is taking the My Energy Kit Challenge and has a goal to save at least 20,000 kilowatt-hours of energy this school year. That's a year's worth of electricity for two homes! We'll reach this goal when at least 100 families sign up for a FREE Energy Kit and use it to make their homes energy-efficient. These FREE kits from Duke Energy contain items like LED bulbs, a low-flow shower head, and other useful gadgets that can make a big difference toward saving energy at home. If we meet the challenge, our school will automatically win \$250. Take the My Energy Kit Challenge and sign up for your FREE kit at MyEnergyKit.org or call 1-855-386-9548.

St. Jude Math-a-Thon

We have 20 students participating in the Math-a-thon to help the children of St. Jude Research Hospital. Books and/or online instructions came home March 2. All money is to be turned into the school office or Ms. Coleman by Wed. March 21.

Also, students were given a sheet with participant prize choices. If they qualify for a prize, please return the prize sheet with money collected.

Thanks for Participating!
