DINNER AUCTION

The Dinner Auction Committee is on the hunt for strings of all blue Christmas lights that can be borrowed for the auction event. They are needed a few days before the event if possible- labeled with your name, please!

St. Rose School Families,

The Legacy Committee would like to invite you to celebrate the Parish's 150th anniversary with the purchase of a commemorative laser engraved brick. This special brick will be part of the paved cross that will be constructed under the Jones Memorial Arch at the entrance of the football field.

An engraved brick would make a great gift for a St. Rose student, including their name and year of graduation. It is a fun and special way to memorialize your child's time at St. Rose School. The proceeds also help support the landscaping and the hardscaping of the St Rose campus, which includes an additional pavilion for family celebrations, the large paver brick cross, and planting over 250 trees and plants.

There are two sizes of bricks available:

4x8 custom laser engraved bricks will be offered with up to four lines and eighteen characters of your own choice for only a minimum offering of \$100.

8x8 custom laser engraved bricks will be offered with up to six lines and eighteen characters of your own choice for only a minimum offering of \$225.

Join the legacy and help us celebrate our 150th anniversary by purchasing a memorial engraved brick! You can order online here: <https://www.brickrus.com/donorsite/strose> or pick up an order form in the parish office.

Thanks,

The Legacy Committee
