Food for Thought

Christmas Break is the perfect time to engage your children in holiday grocery shopping, baking, and meal preparation while learning or practicing many life skills:

- Making grocery and “to do” lists.
- Following directions by using a recipe to make cookies or other holiday favorites.
- Calculating by doubling a recipe or figuring the cost of the ingredients.
- Measuring by using measuring cups and spoons.
- Using kitchen appliances and gadgets safely and last but not least,
- Cleaning up!

At the very least your children will learn to appreciate the time, money and energy that goes into holiday meal preparation. At best, you will foster memories that last a lifetime, keep the kids busy, and cross things off your own Christmas “to do” list!

Merry Christmas from your School Lunch Team!
