## Give the gift of **EDGE!**

Looking for a great gift for your child, grandchild, niece or nephew, but don't want to give yet another toy? How about giving the gift of learning, knowledge AND fun? We have great courses in **Engineering, Robotics, Coding & Math Edge.**

These STEM classes are packed with cool activities, so your favorite kids will have a blast! Best of all, big fun today can lead to bigger success with STEM tomorrow — from success in school to high-demand careers.

These are gifts kids will love, and you'll feel great giving!

## NEW **\$95** HOLIDAY-BREAK SPECIAL!

Sylvan of Franklin is proud to announce the offering of a special 3-day STEM class. This class will be offered at two separate times over the break.

**CLASS 1**  
12/27: 10a-12p  
12/28: 10a-12p  
12/29: 10a-12p

**CLASS 2**  
01/03: 10a-12p  
01/04: 10a-12p  
01/05: 10a-12p

### Day 1 - Robotics

Brainstorm, build and program two robots using LEGO® while developing important STEM skills and logic.

### Day 2 - Engineering

Discover the amazing world of bridge design while learning engineering concepts and building two bridges using K'NEX®.

### Day 3 - Makerspace

Join the makerspace phenomenon where kids gather to create, tinker and explore new concepts using cool materials! Kids will go on a maker "mission" to explore science concepts such as speed, motion, chemistry, gravity or sound.
