ANNUAL CAMPAIGN

Beginning now until April 15th, your Before/After School Program will be raising dollars to support families in your community to provide financial assistance and scholarships. Be sure to speak with your site director for more details.

FUN ACTIVITIES TO TRY

Autism Awareness Month-Sit down with your kids and discuss the importance of inclusion. Teach your children how to be compassionate.

National Garden Month-Grow your one-on-one time with the kids one seed at a time. If your yard isn't big enough for a garden, kids will be just as happy planting their own garden in a bucket.

National Volunteer Month-Organizations are in desperate need of volunteers. Raise thankful kids who understand the importance of lending a helping hand to others.

REMINDERS

Summer Camp registration is open, register online today.

Early registration for Before/After School begins in April.

4th Annual Aloha Family Fun Run at the Baxter YMCA is June 1st.

ABOUT OUR SITE

Welcome back! We hope everyone had a wonderful break. We will be spending much of our time outside enjoying the beautiful spring. Among those activities will be an Easter egg hunt. We have enjoyed this year with your kids and hope to make our final couple of months together the most fun.
