We thank You for your constant guidance
And all that You provide.

We know that we can do all things
When You are by our side.

As we end our day we ask of You
To give Your strength and love
And help us all to always choose
In Your love to abide.

Dear Families,

This will be my last ROAR message as we won't be sending one next week. I want to let you know that I truly have enjoyed being your principal for the last six years. When I first arrived here at St. Rose, I wasn't sure what to expect.

First of all, I can tell you this, I was immediately drawn to the love and support of this staff. Although they make a fraction of what a public school staff earns, these dedicated teachers and staff give their heart and soul to our students. I see it day after day and am in awe of every single one of them! I have been humbled to be part of this team! My soul belongs to the mission of teaching the whole child and that is exactly what this staff does! Be good to them always!

Secondly, I not only love your child/ren, I like them! To me, loving them is simple because they are children of God; but, to like them means that I understand their beings. They are sweet, loving and some times ornery; but, they are always true to themselves. Jesus was right when he said 'Let the children come to me.' He truly understood how close they are to God! I will treasure my time getting to know them because they are my heart!

Lastly, thank you parents for putting up with my craziness, my shenanigans and my persistence to what I felt was right. I am not perfect; but, I will tell you that I always did my best. You are doing right by your children in fighting to make them responsible, caring and good people. The fight is real...society will often fail you, God's laws will not. Fight the good fight because honestly it's the only thing worth it! Your child/ren may not always like what you do; but, they will respect and love you for it later. Let them fail, let them struggle, let them be wrong because that is where they will learn to keep fighting. I hope above all that you saw me as part of the team of raising your child/ren. There were times that I forgot they were only mine on loan! That is how much we as educators want to help in building up your child/ren right! For that, I say thank you for letting me be part of your village!

God bless you all! Please stay in touch!

Love,

Mrs. Floyd
