

Dear folks,

As the number of Covid 19 positive cases has risen, the number of parishioners concerned about attending the Legacy Dinner has increased. As a result at this time only a dozen (or less) have indicated that they might attend. In the interest of safety we have decided to not have an in person dinner. Instead we will broadcast a virtual version of the information, and program that was to be shared. Pledge cards and other info will be made available. We strongly encourage you to support this appeal. It is a vital part of our financial support for the ministries of the parish and school..

Most of all we regret not being able to have the in person celebration to thank all of you for your generous support of St. Rose. Let's continue to pray together and work together as face the challenges before us.

May God Bless You And Keep You Safe.

Fr. Steve
