ST. ROSE OF LIMA CATHOLIC SCHOOL

Blessed are they who hunger and thirst for righteousness, for they shall be satisfied.

Character Trait: Responsibility

Positive Start!

We are looking forward to a positive start to the second semester of our school year. We have been very lucky to remain in person and I hope that continues until the end of the year. Please continue to be diligent in wearing masks, social distancing, and staying home when you have symptoms.

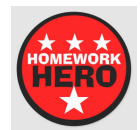

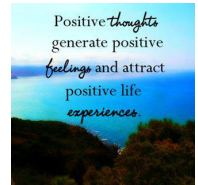

New Schedules and Programs

As the semester gets going you may see a change in your child's schedule and some of the programs they are using in class. Some classes are starting a much needed spelling program with lessons based on phonic skills, which will lead to spelling tests and reviews. This is being implemented to help with our writing skills. Some classes will also be using a new reading series as it becomes available to their class. We have also adopted the Waggle (phonics program) and Writable for grades 2-5. These were programs that were available with our new reading series. I am excited to start implementing some of these programs and seeing new growth in our students. If you have questions, as you see changes, please don't hesitate to contact your child's teacher.

Homework Turn In!!!

This has become a concern in some classes and we will be cracking down on students who are not turning in classwork or homework. Homework is meant to be an extension of what is being taught and reviewed in class. This is essential to work towards mastery in most skills. Please check your students agenda or the teacher's email to follow-up on your child's work. Grades and missing assignments can be seen in Jupiter.

I am looking forward to a semester based on love and compassion, but full of rigorous learning and great growth. Welcome back and I hope you all have a great start to 2021.
