ARCHDIOCESE OF INDIANAPOLIS

The Church in Central and Southern Indiana

Dear Priests, Deacons, and PLCs,

- The OCS strongly recommends all individual wear masks inside our Catholic schools and at school liturgies.
- The OCS is not recommending for or against having mask mandates in our schools. You may continue to make school COVID-19 protocol decisions based upon your local conditions (e.g. in-school positive cases, ability to social distance, county positivity rates, county health department recommendations).

Thank you for your attention to this matter. May God bless you in your ministry.

Sincerely,
Rev. Monsignor William F. Stumpf
Vicar General
Mr. Christopher J. Walsh
Chancellor
